

1906 AWARD

The International Electrotechnical Commission
expresses its sincere appreciation of the valuable and
sustained contribution by

Akihiro Suzuki

**Expert of IEC Technical Committee N° 88,
Wind energy generation systems**

Nominated by the Chairman of IEC TC 88

In recognition of his longstanding contribution and participation in TC 88 standards for well over a decade. He is a member of the board of councils in the Japan Wind Energy Association (JWEA), and actively engaged in the promotion of wind technology and standardisation. His technical specialty is aeroelastic modeling of wind turbines. Now, he serves on committees within IEC TC 88 (MT 1, MT 2, MT 22) and IECRE.
